Borron House

Suva, Viti Levu

A stately mansion built in 1927 for the Borron family. Used in WWII by the American armed forces. The Fiji Government now uses the house for VIP accommodation.

Open to the public on Open Days. Other days on request to the NTF office. NTF liaises with Ministry of Foreign Affairs through the Chief Protocol Officer.

Garrick Forest Reserve

NE of Navaua Town in Southern Viti Levu
429 hectares of dense tropical rainforest.

Laucala Ring Ditch Fort

Laucala Bay, Viti Levu

Two acres of historical reserve including two ring ditch forts side by side.

Levuka - Old Capital City

Beach Street, Levuka, Viti Levu

Tel: 679 3440356 Email: <mailto:ntflevuka@nationaltrust.org.fj>

Morris Hedstrom Building is now a Community Centre, houses a museum, library, kindergarten, squash courts and gym.

Momi Battery Historic Park – Nadi

Momi, Viti Levu

Situated on the coast south of Nadi, Viti Levu, the site includes WWII 6 inch guns and surrounding bunkers and a museum.

Open: Daily, 9am-5pm.

Sigatoka Sand Dunes National Park

Sigatoka, Viti Levu

The 650 hectare park contains the Sigatoka Sand Dunes offering a diverse mixture of endemic and introduced plant species. The area is rich in archaeological history with remains of pottery and skeletons. A Visitor Centre with interpretation and trails are provided for visitors.

Waisali Rainforest Reserve – Savusavu

Near Savusavu on Vanua Levu

Tel: (679) 3301807 Email: <mailto:info@nationaltrust.org.fj>

The reserve is approximately 130 hectares of rainforest with unique floral and faunal composition with bush trails and a waterfall.

Interesting for birdwatchers.

Open: Mon-Sat 9am-5pm.

Yadua Taba Crested Iguana Sanctuary

Yadua Taba Island

Tel: (679) 3301807 Email: info@nationaltrust.org.fj

A remote island which is the natural habitat for the endangered crested iguana (*Brachylophus vitiensis*). Visiting may only be permitted after application to the National Trust office.
