**5. ANALYSIS AGAINST THE CRITERIA SPECIFIED IN SCHEDULE 2 OF THE LAND (PLANNING AND ENVIRONMENT) ACT 199**

Under Section 56 the criteria for the assessment of the heritage significance of places are:

- (i) a place which demonstrates a high degree of technical and/or creative achievement, by showing qualities of innovation or departure, or representing a new achievement of its time;
- (ii) a place which exhibits outstanding design or aesthetic qualities valued by the community or a cultural group;
- (iii) a place which demonstrates a distinctive way of life, taste, tradition, religion, land use, custom, process, design or function which is no longer practised, is in danger of being lost, or is of exceptional interest;
- (iv) a place which is highly valued by the community or a cultural group for reasons of strong or special religious, spiritual, cultural, educational or social associations;
- (v) a place which is the only known or only comparatively intact example of its type;
- (vi) a place which is a notable example of a class of natural or cultural places or landscapes and which demonstrates the principal characteristics of that class;
- (vii) a place which has strong or special associations with a person, group, event, development or cultural phase which played a significant part in local or national history;
- (viii) a place which represents the evolution of a natural landscape, including significant geological features, landforms, biota or natural processes;
- (ix) a place which is a significant habitat or locality for the life cycle of native species; for rare, endangered or uncommon species; for species at the limits of their natural range; or for district occurrences of species;

- (x) **a place which exhibits unusual richness, diversity or significant transitions of flora, fauna or natural landscapes and their elements; or**
- (xi) **a place which demonstrates a likelihood of providing information which will contribute significantly to a wider understanding of natural or cultural history, by virtue of its use as a research site, teaching site, type locality or benchmark site.**
